Nova Hotel Renovation & Construction Completes Renovation of Historic Ramona Hotel
The Restoration of Ramona Hotel Added to Nova HRC's Portfolio of Historic Projects

CLEARWATER, FL (January 22, 2012) – Nova HRC, a leader in hotel and resort renovations, has completed the restoration of the historic Ramona Hotel at J and 6th Streets downtown Sacramento, CA. Built in 1930 and designed by California's first state architect, this property represents one of the best surviving examples of Spanish Colonial Revival style architecture in the capital city.

The project was completed in an expedited twelve-month schedule and has received LEED Gold certification. The Ramona Hotel adds to the portfolio of distinguished historic renovations completed by Nova HRC, which include the Fort Harrison Hotel, Saint Hill Manor, and the COS Conference facilities in Tampa, FL and Nashville, TN.

“Nova HRC is pleased to restore the Ramona Hotel and showcase its original grandeur to the city of Sacramento,” said Keith Ripel, Director of Sales and Marketing for Nova HRC. “Nova appreciates the historic significance of the Ramona Hotel and all efforts were made to preserve the integrity of the original property.”

Nova HRC specializes in global hospitality renovation and construction projects, servicing all segments in the industry. The company directors and executive staff are a fusion of hoteliers and construction experts, allowing for a uniquely dynamic, yet thoroughly practical, approach to renovation and hotel operations. Nova HRC has offices in Florida and California and currently employs approximately 300 team members.
